### **Holt Textbooks Win Five Awards at Prestigious New York Book Show**

**NEW YORK – May 5, 2004** – Five Holt, Rinehart and Winston textbooks were recognized by the New York Bookbinders Guild in an annual contest that recognizes excellence in book production. *Holt Chemistry* and *Holt Environmental Science* captured first and third place in the High School Book category. *Holt Biology* and *Holt Biology, Texas Edition* won first and second place in the High School Book Cover category, and *Elements of Literature, Grades 6-12* collected second place in the High School Cover category for a textbook series.

The 18th Annual New York Book Show is sponsored by the Bookbinders' Guild of New York and organized by the New York Book Show Committee. The Guild encourages, recognizes, honors, and celebrates excellence in book production. Books and book series published during 2003 are entered into trade, reference and school publishing categories.

Holt textbooks are research-based and represent the collaborative of editors, curriculum experts, and teachers who develop basal and supplementary learning resources. In addition to print resources, Holt publishes online and CD-ROM based resources including online textbooks, also called “e-textbooks.” Each print textbook honored by the New York Book Show is also available in an online format that gives the exact content of the printed version but with other interactive enhancements and additional resources – such as links to current events information – made possible by an online environment. Additional information about Holt learning resources can be found at [www.hrw.com](http://www.hrw.com).
